

Cylindrical Bumper 40D x 15H

Product SKU: 6001215

Hardwearing rubbers stoppers suitable for a range of general applications. Can be used as spacers, door stops or as replacement feet.

Polymax rubber stoppers work great as door stops or as screw on rubber feet. They are made from a hard wearing SBR/NR blend and are available in a variety of shapes and sizes to suit your application. The cylindrical bumpers are most suitable for areas where buildings or corners need to be protected from swinging doors or trolleys for example.

Colour: Black
